## Online Event: 21-Day Meditation Adventure with Mike Dooley and davidji

THE 21-DAY *Meditation* ADVENTURE

Awakening Your Superpowers to Heal, Manifest, and Love

Learn the art of meditation while creating a powerful 21-day practice.

If ever there was a time to get centered and consolidate one's personal power, this is it! And if ever there was a teacher who could help you do this, it's davidji.

I've worked and taught with him for 10 years, and his down-to-earth charm and simplicity has made him the most effective meditation teacher I've ever met.

He's a bestselling author whose teachings have reached millions, he worked with Dr. Deepak Chopra for 10 years, and personally taught Oprah Winfrey his meditation techniques. Here and now, he's available to you. He makes the process fun and, once trained, you'll look forward to taking a "time-in" every day thereafter.

As has been shared by spiritual teachers through the ages, the key to stability, freedom and your personal power, lies within. By mastering your thoughts using davidji's gentle time-tested relaxation methods, you'll discover how easy this can be and how supernatural you are.

I'm looking forward to moderating this event and sharing the stillness with you.

Yours in the adventure,  
Mike Dooley
