Gratitude

Be Grateful for What You Have...

Gratitude is like feedback to you life plan.

We went outside to put the chickens up for the night and Winnie noticed a rainbow directly south of us. I walked up to the north side of the greenhouse and took this picture with my phone. It was cold and windy so I didn't study the view very well when I took the picture so I was really surprised at the beautiful scene. We've been very fortunate that for all of our hard work, we've been rewarded with wonderful families, great friends, and a beautiful life here in East Tennessee that keeps getting better every day. I'm convinced that you if you dream big, you'll be rewarded, and if you're grateful for what you get, you'll continue to receive all of the things you wish for.
